

# Wonder

I thought this book was good. I think it is a good lesson. The lesson is it doesn't matter what you are on the outside it only matters ~~what~~ what you are in the inside ~~how~~ how big your heart is, your personality. If you are a jerk ~~NO ONE WILL LIKE YOU~~ NO ONE WILL LIKE YOU in the end and that's what happened to Julian. Julian chose the wrong way to go. I really hope there is a Wonder 2. This way Julian can be a nicer kid to August. ~~Because~~ August deserves to have a lot of friends. He is one of the nicest kindest kids in the whole world. This book is ~~now~~ now my favorite book in the world.
