

Wonder

The book Wonder by R.J. Palacio ^{SP} was so unique. My favorite characters were August, Summer, Jack Will, Via, Daisy Mom and Dad and Bear. My favorite part of the book was the ending, when Auggie got his medal. I think the book had so many important messages that had to do with being a friend and being kinder than is necessary. ^{SP} I hope that Julian learns his lesson and teaches his kids that being popular and cool is ^{way} less important than being a kind friend. I also hope that August has an easier year in 6th grade and that he has no more jerks that bother him.
