• Epimetheus	Yes	I wish you hadn't done this. Pand: I couldn't help it! Hera gave me curiosity!
• Hermes	Maybe	I told you not to open the box when I gave it to you! Pand: This is all your fault!
• Zeus	No	Humans will get what they deserve. Prom: Not fair. Zeus: Is eternity not long enough for you??
• Hera	Yes	Don't expect me to actually clean anything. I just want to watch. My gift of curiosity worked out the way I wanted 😊
• Hephaestus	Yes	I created you, so I will try to help. Pand: Thanks Dad. ❤️ Heph: I'm not exactly your dad; I just made you from clay.
• Apollo	Yes	I'll bring the lyre.
• Athena	Maybe	Might be late; I'm going to a weaving contest.
• Aphrodite	Yes	What should I wear? Ath: Get over yourself! Looks aren't everything!
• Prometheus	No	Can't....talk....liver ... being...eaten...
