

Peer Response Checklist – Reformers Research Paper

1. Are all facts/quotes properly parenthetically cited?
2. Does the paper:
 - a. Use 3+ sources?
 - b. Have at least 4 facts/quotes?
 - c. Refer to at least one [Changemaker question](#)?
3. Is the Works Cited list in the document?
(Export from NoodleTools and copy/paste into your document.)
4. Does the paper have a creative title that describes what it's about?
5. Are quotes appropriately embedded?
6. Are there helpful transitional words and phrases (feel free to add/suggest some)?
7. Does the TS cover what the paper discusses?
8. Is the concluding sentence interesting and fresh?

When you finish:

- a) Show me the peer response comments you made so I can give you credit for doing them.
- b) Update your paper based on your partner's comments.
- c) Share it with me on Google Docs, either now or by the next class.
